

NOTICE OF PUBLIC COMMENT PERIOD ON DRAFT REMOVAL ACTION WORKPLAN

For Basin A South & Surcharge Fill Area Site Central Contra Costa Sanitary District Treatment Plant 5019 Imhoff Place, Martinez, California

The California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) requests public comments on a draft Removal Action Workplan (RAW). The draft RAW proposes to cover soils containing waste material in two areas of the Central Contra Costa Sanitary District Wastewater Treatment Plant, at 5019 Imhoff Place in Martinez, to prevent direct contact with the waste material. The soil in Basin A South and the Surcharge Fill Area will be covered with 12 inches of clean fill. A draft Notice of Exemption has been prepared in accordance with the California Environmental Quality Act, and is available for review in the information repositories in Appendix D of the draft RAW.

DTSC will accept comments on the draft RAW during the public comment period which begins February 15, 2002 and ends March 18, 2002. Please send written comments to:

Mr. Bill Brown, Project Manager
Department of Toxic Substances Control
700 Heinz Avenue, Suite 200
